Each member of said jury summoned as aforesaid shall repair to the mayor's office at a date and hour to be named in the mayor's said order, not more than five days after the date of the same, for the purpose of being sworn as hereinbefore required. Upon the assembling of said jury at the mayor's office, any person summoned as aforesaid, upon excuse offered satisfactory to said mayor, may by him be excused from further service; or if any person summoned should reside on or own land in any district laid out for improvement, or should be challenged in writing as interested by any owner of land to be affected by such improvement, it shall be the duty of the mayor to require any policeman of this city to forthwith summon another person having the qualifications hereinbefore described to serve upon said jury in the place and stead of the juror so excused by the mayor. Each juror shall be sworn by the mayor or another person competent to administer oaths in this State to faithfully and impartially execute the duties of his office, before entering upon the performance thereof.

Sec. 140. That immediately after being sworn as aforesaid, said jury, as finally constituted, shall proceed without unnecessary delay to view the street and section in which said improvement has been or is proposed to be made, as hereinbefore described, and all the property deemed by it to be beneficially affected thereby, as hereinbefore described, and shall within a reasonable time thereafter, not exceeding five days, and after due consideration thereof, make up its report, a majority concurring therein, in which shall be generally described each piece of property deemed by it to be beneficially affected by said improvement, together with the amount of the special benefit thereto arising from such improvement, and giving also the name or names of the supposed owner or owners thereof. After making up its report as herein required, said jury shall forthwith file the same with the City Clerk and Treasurer of Charlotte, who shall submit it to the board of aldermen at its next regular meeting after the day on which the same is filed as aforesaid, for its action. Said board of aldermen shall at said meeting or at any regular meeting thereafter, not exceeding thirty days from the date of the submission of the same, take up and consider the report of said jury and hear any competent evidence from any person interested in the property affected thereby, touching any matters covered by said report, and confirm or modify the same: *Provided, however*, in no case shall any property be assessed by said jury or the board of aldermen of said city on account of said improvement in excess of the special benefit or enhanced value of said property arising from said improvement.

Right of appeal.

Sec. 141. That any person who shall have filed objections as aforesaid to the confirmation of said report shall have the right within five days after the approval or confirmation of the same by the said board of aldermen, and not after that time, to appeal from the said decision of the said board of aldermen to the next term of the Superior Court of Mecklenburg County, North Carolina, by serving upon said city notice in writing of his intention so to do and specifying in said notice the item or items in said report which he disputes, and by filing within said time in the office of the Clerk of the Superior Court of Mecklenburg County a written undertaking, in at least the sum of four hundred dollars, with sufficient sureties to be justified before and approved by said clerk to the effect that said appellant will pay to said city all such costs and damages as it may sustain by reason of such appeal, if the court shall finally render judgment against said appellant. In case of an appeal as aforesaid, a copy of said report in so far as it affects the property of the appellant as the same was approved by the mayor and board of aldermen, a copy of the objections of the appellant thereto and of said notice duly certified by the city clerk and treasurer, shall constitute the record on appeal, and when filed in the office of the Clerk of the Superior Court of said county, the same shall be docketed on the civil issue docket in the name of the person taking such appeal against the city of Charlotte, "An appeal from an assessment," and the cause shall then be deemed to be at issue without any further plea on the part of said city; but said city shall have the right to file a further answer or defense thereto, if it be so advised, and said cause shall stand for trial at the next term of court, beginning more than ten days after the docketing of said appeal: *Provided*, that if said appeal is not docketed and said bond is not filed by the appellant within ten days after the confirmation of said report, all right to prosecute such appeal shall be thereby forfeited. And upon the trial of the issues arising on such appeal, if all the issues be found in favor of the appellant, the lien for said assessments shall be discharged. If, however, the issues or any of them be found in favor of the city of Charlotte to any amount, and if it be thereby ascertained that the appellant is due to said city any amount by virtue of the matters therein referred to, or that said land is subject to a lien for said assessments or any part thereof, then the amount so found in favor of the city of Charlotte, with interest thereon, together with costs thereon accrued, which costs shall be assessed as costs in other civil actions, shall be and continue a lien against the property upon which the original assessment was placed from the date of the approval of said report by said board of aldermen, and shall be collected by the tax collector in such manner as the other assessments herein provided for are collected.

land in the same manner as is hereinbefore provided in the case of sidewalks, and such costs so charged shall constitute a lien upon such lots or parcels of land to the same extent and to be enforced and collected in the same manner as the liens hereinbefore provided with respect to the sidewalks in said city: *Provided further*, that in all sections for permanent paving the board of aldermen may require any person, firm or corporation owning or using gas mains, gas pipes or any other pipes whatever, or underground electric or other wires, in or under said street so being paved or about to be paved, to forthwith make all their lateral connections in said streets at least to the edges thereof before said streets are paved and so as not to interfere with the progress of the paving; and for failure for twenty days after notice of said requirement to comply with the same, said person, firm or corporation so in default shall thereby forever thereafter forfeit the right to use said streets for the purposes aforesaid, and the board of aldermen of said city may at its discretion remove said gas mains, pipes and wires from said streets.

That the value of any benefit or advantage to any lot or land arising from the opening, extending, widening or improving any street and accruing to said lot or land in common with other lots or land similarly situated may be assessed by the said commissioners against the lots so benefited, and shall be a lien thereon, and the payment thereof may be enforced as provided in this act; but the amount of said assessment shall be stated separately in the report of the commissioners.
